Jesus is coming again

Jesus is coming ag-ain, Jesus is coming ag-ain,
It maybe soon, don't know when, Jesus is coming again,
Jesus is coming ag-ain, Jesus is coming ag-ain,
Some will go, some remain, when Jesus comes again.

Jesus is coming ag-ain, Jesus is coming ag-ain,
All will see, it will be plain, as Jesus comes again.
Jesus is coming ag-ain, Jesus is coming ag-ain,
Then forever He will reign, when Jesus comes again.

Jesus is coming ag-ain, Jesus is coming ag-ain,
Then His Love will rain, when Jesus comes again
Jesus is coming ag-ain, Jesus is coming ag-ain,
Then Joy and Peace will never cease, when Jesus comes again.

Jesus is coming ag-ain, Jesus is coming ag-ain,
Please don't go through the pain, when Jesus comes again.
Jesus is coming ag-ain, Jesus is coming ag-ain,
For Eternal Life you can obtain, when Jesus comes again.

Jesus it is You,

Jesus it is You, Jesus it is You, You are the Christ
Jesus it is You, Jesus it is You, You are the Rock
In Your Life we stand. In Your Life we stand.
As we walk with You, holding to our hand.

Jesus it is You, Jesus it is You, You are the King
Jesus it is You, Jesus it is You, to our love we bring
In Your life we move. In Your life we move.
Going ever forward, always to improve.

Jesus it is You, Jesus it is You, You are our Brother
Jesus it is You, Jesus it is You, Loving like no other.
In Your life we rest, In Your life we rest,
Trusting in Your power, knowing we are Blessed.

Jesus said these final words

Jesus said these final words before He went up in the sky.

“All Authority is given, please use it, don’t be shy.
Make disciples, Baptise and teach them, keep them true,”
Then through the clouds He soared right up and out of view.

So the grave, it is empty, to the Father He has arrived
He’s alive now in Heaven, over death He has survived.
He sits now right in Heaven, right near at The Father’s side
The Saviour of the world is home now to finally reside.

He talks now to Our Father and pleads to Him our case
There’s a great love between them as they talk just face to
face

He is our Great High Priest, at The Fathers Throne.
He brings all to The Father, our needs and shares our
groan.

The Promise of the Father, has come to us instead
His presence in within us, to help the message spread.
For now is our chance to live just in the Spirit
In His presence dwell, to live and not to visit.

The Spirit He’s alive, living deep down in our hearts
The Power of God, He is in us, and His Strength He now
imparts.
For us to do the Father’s Will, and Good news to be heard
To spread to All The Father’s Love and the Truth of His
Word.

Jesus You are

Jesus You are the beautiful Creator of all that lives upon the earth
Jesus You are the wonderful Saviour giving us life and a new birth
Jesus You are the glorious Redeemer saving our lives, and making us new
Jesus You are the masterful Teacher, bring the Truth right into our view.

Jesus You are the Loving Master, we just love to work with You.
Jesus You are the Righteous Judge, covered with blood our lives review.
Jesus You are the Total Provider, giving us all the things we need
Jesus You are the Virtuous Ruler, governing our lives so all succeed.

Jesus You are the Complete Healer, taking away all suffering and pain
Jesus You are the Supreme Protector, preserving our lives again and again
Jesus You are the Loving Carer, encouraging us to be the same as You
Jesus You are the Amazing Guardian, keeping us free things not true

Jesus You are the Devoted Keeper, maintaining our thoughts on things
above.

Jesus You are the Shining Example, showing how we ought to love
Jesus You are the Triumphant Victor, winning our battles over sin and
grave
Jesus You are the Coming King, taking us up to the Heaven we crave.

Like a Flood

Like a Flood, like a flood
The Spirit He is coming, coming like a flood.
As we give our lives to Christ, covered by His Blood
The Spirit He is coming, coming like a flood.

Like a Flood, like a flood
The Spirit He is coming, coming like a flood.
As we spend our time in Prayer, flowering from a bud
The Spirit He is coming, coming like a flood.

Like a Flood, like a flood
The Spirit He is coming, coming like a flood.
Lifting lives and changing, cleaning from the mud
The Spirit He is coming, coming like a flood.

Lord Jesus, You are calling

Lord Jesus, You are calling, calling for Your own
Calling out to those You're drawing to Your Throne.
Calling us to come closer to Your side
Calling us to grow into Your Heavenly Bride

*Your Blood You've freely given,
And all our sins forgiven
For on The Cross You died
And Eternal Life provide.*

Lord Jesus, You are calling, calling to Your own.
Calling out to those who love You and You alone.
Calling to those who will answer to Your cry,
Showing to the world that for them You did die

Lord Jesus, You are calling, calling out Your own
Calling us up to Your Heavenly home.
Providing us all with Your Spirit from above
Filling us all with Your Inspiring Love.

Love is the Victor over all of our fear

Love is the Victor over all of our fear
Love overcomes, so let us draw near
Love brings us closer and wipes out the tear
For God our Father, loves all, that is clear!

Love always wins and will never, ever cease
Love is so kind and always seeks Peace
For it comes from Heaven to grow and increase
It flows from our Saviour, Who made it release.

Love is all patient and always is true
It's empowered by The Spirit to both me and you.
So let your love flow and come into view
And change all your thoughts and bring life anew.

God's Love, Joy and Peace

God's Love divine appeared at Christmas
For all the world to come and see
He is the only narrow isthmus
Between the Love of Heaven and thee.

Heaven's Joy appeared at Christmas
The shepherds heard the Angels song
They found that God came so near us
And to His family we can belong

Peace on earth appeared at Christmas
'Twas seen in Jesus' smiling face
He came to earth just to assist us
Be healed by Heavens love and grace.

We'll keep on asking for more and more.

We're not afraid of what's in-store
We'll keep on asking for more and more.
For You are with us in flood and fire
And You'll take us on, higher and higher.

We put aside all that's gone before
We'll keep on asking for more and more.
We'll look for things all bright and new
And trust in all that You will do.

For in the dry You still will pour,
As we keep asking for more and more,
Things not seen, for You're our Lord
You're Presence with us is our reward.

Thoughts from Isaiah 43:1-2, 18-19

Move us on

*Move us on into Your Presence
Move us on into Your Will
Move us on into Your Ways Lord
We Never will be still.*

Move us on into Your Presence
Where Your Love and Glory shine
Where forever we are Yours Lord
And You are all Devine.

*Move us on into Your Presence
Move us on into Your Will
Move us on into Your Ways Lord
We Never will be still.*

Move us on into Your Will Lord
Doing only as You request
Where Your fruit will start to grow Lord
And our lives will at rest.

*Move us on into Your Presence
Move us on into Your Will
Move us on into Your Ways Lord
We Never will be still.*

Move us on into Your Ways Lord
Where Your Power forever reigns
Where Your doing always pays Lord
And obedience breaks the chains.

*Move us on into Your Presence
Move us on into Your Will
Move us on into Your Ways Lord
We Never will be still.*

My Miracle of Trust

I am not alone I have my Lord, beside me.
Even if I'm blind, He'll give me eyes to see
Indeed, if I am lame, He'll give me strength to run
It is my "Miracle of Trust" that lets me see it done.

*My Miracle of Trust, My Miracle of Trust,
I live forever in, a Fountain of His Presence
My Miracle of Trust, My Miracle of Trust,
I live forever in, a Fountain of His Presence*

My feet they will not wander, for He will be my guide
His Presence always with me, He runs close at my side
If darkness falls around me, then He will be my light
It is my "Miracle of Trust" to know that all is right

*My Miracle of Trust, My Miracle of Trust,
I live forever in, a Fountain of His Presence
My Miracle of Trust, My Miracle of Trust,
I live forever in, a Fountain of His Presence.*

My sacrifice of Praise

During all my trials O Lord,
I open up a gate of Praise
That You O Lord may enter in
And all my fears erase.

*I bring to You my sacrifice
My sacrifice of Praise
I put my trust in You O Lord
My sacrifice of Praise*

I lay down all my own desires
I give them all to You
Your ways are higher Lord
Than any that I could do

*I bring to You my sacrifice
My sacrifice of Praise
I put my trust in You O Lord
My sacrifice of Praise*

For You O Lord have promised
To love me to the end
All Your Ways are good O Lord
Your victory You will send.

*I bring to You my sacrifice
My sacrifice of Praise
I put my trust in You O Lord
My sacrifice of Praise*

My Soul be Still, be still my Soul

My Soul be still, be still my soul,
My Father God You're in control.
You have my front, You have my back
You give me all, I have no lack!
My Soul be still, be still my soul,
My Father God You're in control.

My Soul be still, be still my soul,
My Father God You're in control.
You're always here to keep me near
And keep me free from any fear
My Soul be still, be still my soul,
My Father God You're in control.

My Soul be still, be still my soul,
My Father God You're in control.
You're my provider, I have all I need
I dwell in Your Love, in all things I succeed.
My Soul be still, be still my soul,
My Father God You're in control.

My Soul be still, be still my soul,
My Father God is in control.
I am always free from earthly cares
And in Your Love I have no scares.
My Soul be still, be still my soul,
My Father God is in control.

New life is now being totally adored

New life is now being totally adored
The dead and the barren are being restored
The old and worn out are being made new
It's something different that's coming to view.

There are streams in the desert that once were bone dry
And fresh growth is coming that none can deny.
New things from the old are now being seen
That which was dirty is washed and now clean.

Now is the time of God's favour for you

Now is the time of God's favour for you
So, look through His Eyes and take up the view.
Hear His soft whisper that comes deep in your heart
He is calling you now to set you apart.

His voice is so soft and urges you on
It will have a sweet calmness that says "come-on"
He gives you the strength to do as He says
He'll lead you on gently to follow His Ways

He speaks like the Beautiful Clouds with their glow
But He's urging you on and surely, you'll know.
He'll not speak with the harshness of words
But with a soft breeze and the singing of birds.

To hear His Whisper come to sit on His knee.
He will give you courage, as you heed His calm plea
You will gain your strength from a worshipping heart,
To speak out His word and His Truth to impart.

To an “Open Church”

The Church it hasn't closed it's doors, but Opened them right out.
To work amongst the needy and those who do without.
No the doors they haven't closed but been just opened wide
To spread the Word with action, to show just why He died.

The walls, they have not fallen, but let the people out
To show the Love of Jesus with actions to all about.
No the walls they have not changed but are opened for all to see,
That Jesus died for all the world, the doubters and the free.

The Gospel is still proclaimed, but not to those inside
And not with words and music, but with Love that's not denied.
The Truth is not confined to those who venture in
But to all the world outside with a smile and hearty grin.

Our Redeemer lives to Heal now

Amongst all trials and critics, a man called Job once said,
“I know that my Redeemer lives and will make me to arise,
Up from this world of sorrow, up from this life of dread.
I will arise to be with Him, to a life, above the skies.”

Poor Job he had it bad with sores all over his body
But he could see a life and there would be a time
When he would live again and true life to embody
Even to forgive his “friends” and returning to his prime.

Our Redeemer lives and brings to us new life and healing
He paid the price right here and here we can receive.
Now is our time, right now and not a Heavenly dealing.
For by the power of His shed blood we’ll now achieve.

We may be really sick and battered like poor Job
But we can truly know that our Redeemer lives
And still can come to us and healing have bestowed
It’s just a move of faith and believing that He gives.

Job 19:25 “For I know that my Redeemer *and* Vindicator
lives, And at the last He will take His stand upon the
earth. 26 “Even after my [mortal] skin is destroyed [by
death], Yet from my [immortal] flesh I will see God,
“As our Redeemer, He paid the price with His blood so that
we can activate His sōzō power in our lives and, yes, be
delivered from eternal damnation, but also that we could be
healed in spirit, in soul, and in body.

Sickness and disease do not exist in Heaven. They cannot
enter into Heaven’s gates. Heaven is not in a fallen state, but
earth is. Therefore, on this earth is where we need His
healing power to manifest, not in Heaven.”

Healing Breakthrough (p. 45). Destiny Image, Inc.. Kindle

Our Saviour's Love.

Trash is turned to some treasure.
Change it comes without measure
Effort gets a mighty shove
As they see, Our Saviour's Love.

*We come into Your Presence where all our debts are paid
Receiving grace and mercy and Love comes to our aid*

Damaged Hope can be restored
It may be lost and all ignored
But then it rises high above
As it sees, Our Saviour's Love

*We come into Your Presence where all our debts are paid
Receiving grace and mercy and Love comes to our aid*

Guilt and shame soon pass away
As our Saviour has total say
By His death they have to move
As they see, Our Saviour's Love.

*We come into Your Presence where all our debts are paid
Receiving grace and mercy and Love comes to our aid*

And our lives come white as wool.
As Jesus paid all debt in full.
And now we fit Him like a glove
All covered with Our Saviour's Love.

*We come into Your Presence where all our debts are paid
Receiving grace and mercy and Love comes to our aid*

Our Song to Jesus our Lord

We sing a song to You O Lord, our arms just lifted high
Our songs of Praise to You O Lord reach high up to the sky.
We sing a song to You O Lord, and with our feet we dance
All sickness flees from in our midst, it does not have a chance

We sing a song to You O Lord, from our hearts we pour,
Then as we sing to You O Lord, You open up the door.
We sing a song to You O Lord, and as we sing, we pray
You open up the Heaven's Doors and we hear the Words You say.

We sing a song to You O Lord, and then we get to win.
The songs we sing to You O Lord, Your Presence comes within.
We sing a song to You O Lord, and Your Glory gets to shine.
We hear Your Words O Lord and we hear Your grand design.

We sing a song to You O Lord, then The Spirit comes to sing
He sings to us the Victory Songs, and the Doors of Heaven swing.
We sing a song to You O Lord, and with the Angels link.
Our spirits rise up to the Heavens and in Your Glory drink.

“Please just save My child”

I heard the voice of our Father say, “Please just save My child”

He spoke this way because, He has great plans all filed.
His plans are good and pleasant, for the child is in His Heart

This child He knows and loves from the very start.

From when the cells first joined and life on earth began.
The journey through life has started and has an eternal plan.

We have freewill to set our own, so choices can be made
The lives of one or two? It is not a healthy trade.

But some will just ignore His Will and say He does not matter.

“It is my body and mine alone”. And forget the son or daughter!

Evil intent may have its way, but life it does not stop.
The child will live forever; just earth to Heaven will swap.

I hear the voice of our Father say, “My Son has paid the price.

Though life on earth may finish and suffering not very nice.

The child will be with Me, I’ll lift it up, all Heaven will see.

For now the Child is Mine, the Child belongs to Me.”

Positives in Ecclesiastes

Our time on life it has an end
A waste of time, to gloom descend.
But there is God, He has a purpose
Look deeper down below the surface
Then look again up to the Heavens
Our God lives there and to us beckons.
All Eternity lives within our hearts
And the beauty of creation all joy imparts
God's Plans are greater than we can know
So we worship him and humbly bow.

Resting

Resting to have our power increased
Resting to have this power released
Resting to feel His Love so dear
Resting in Love that drives out fear.

Resting, Resting, Resting in Your Love O Lord.
Resting, Resting, Resting in Your Love.
Resting, Resting, Resting so we can be restored
Resting, Resting, Resting in Your Love.

Resting to see Your Face Divine
Resting to have Your Heart with mine
Resting to know Your Perfect Peace
Resting to have all worries cease.

Resting to know I belong to You
Resting to grow and be made new.
Resting to know that You are near
Resting to hear Your Words so dear.

Revival comes

Revival comes as we start to pray
The fear of God upon our hearts
Worship from our deepest parts
That is when Revival starts.

Revival comes from deep remorse
Stopping all judgment from taking its course
Killing all evil at its real source
Allowing Christ's Spirit to take by force.

Revival comes from deep within
The rumblings of our true desires
Our spirit stirs, our thoughts begin
To feel the warmth of Heavenly Fires.

Revival comes as we change our lives
Following God's plan so that it thrives
So deep within His Love survives
This is when the Spirit arrives.

Revival Comes (part 2)

When you pray for revival and something shockingly
different shows up don't run back to tradition!

Move into the new!

There will be changed lives

Changed atmospheres

Revival comes, don't be afraid

It may look strange at what's displayed

But be renewed and don't be staid

And move right on to this new upgrade.

Revival comes and lives are changed

And all our thoughts are now exchanged

For the exciting and the unexplained.

But fear it not, it was all arranged.

Revival comes and The Word is spoken

Lives repaired that once were broken

Jesus is Lord and hearts are open

And The Spirit moves and the Nation woken.

Roll away the Stone

Thoughts from :John 11:11 Then Jesus added, “Lazarus, our friend, has just fallen asleep. It’s time that I go and awaken him.” 14 Then Jesus made it plain to them, “Lazarus is dead.” 39 Jesus told them, “Roll away the stone.” 40 Jesus looked at her and said, “Didn’t I tell you that if you will believe in me, you will see God unveil his power?” 41 So they rolled away the heavy stone. Jesus gazed into heaven and said, “Father, thank you that you have heard my prayer, 42 For you listen to every word I speak. Now, so that these who stand here with me will believe that you have sent me to the earth as your messenger, *I will use the power you have given me.*” 43 Then with a loud voice Jesus shouted with authority: “Lazarus! Come out of the tomb!”

When things are dead and buried,
When things are dead and gone
Don’t let your life be harried
Get up and roll the stone.

Roll away the stone
Roll away the stone
These are the words that Jesus said
When things were very dead.

“I am the resurrection”
When things are dead and gone
Look for your new direction
Get up and roll the stone.

Chorus

“I am the very Life”
Just know you’re not alone.
Even when there’s strife
Get up and roll the stone.

Chorus

Just use the power that’s given
Let His Words be your own
Get up and do not give in
Get up and roll the stone.

Chorus
